

PROFILE

I am a creative Freelancer. With every line of code, I enjoy bringing people's vision to life. I have a diverse set of skills and enjoy working with customers from diverse backgrounds around the world.

I am A tech-savvy, creative problem solver and resourceful individual who enjoys learning new skills and sharing my knowledge.

My experience is around responsive design.

When I am not coding, I am busy creating fashion statement pieces. I love playing around with fabric to create timeless pieces.
